# HOW TO MAKE YOUR VERY OWN FORKY!

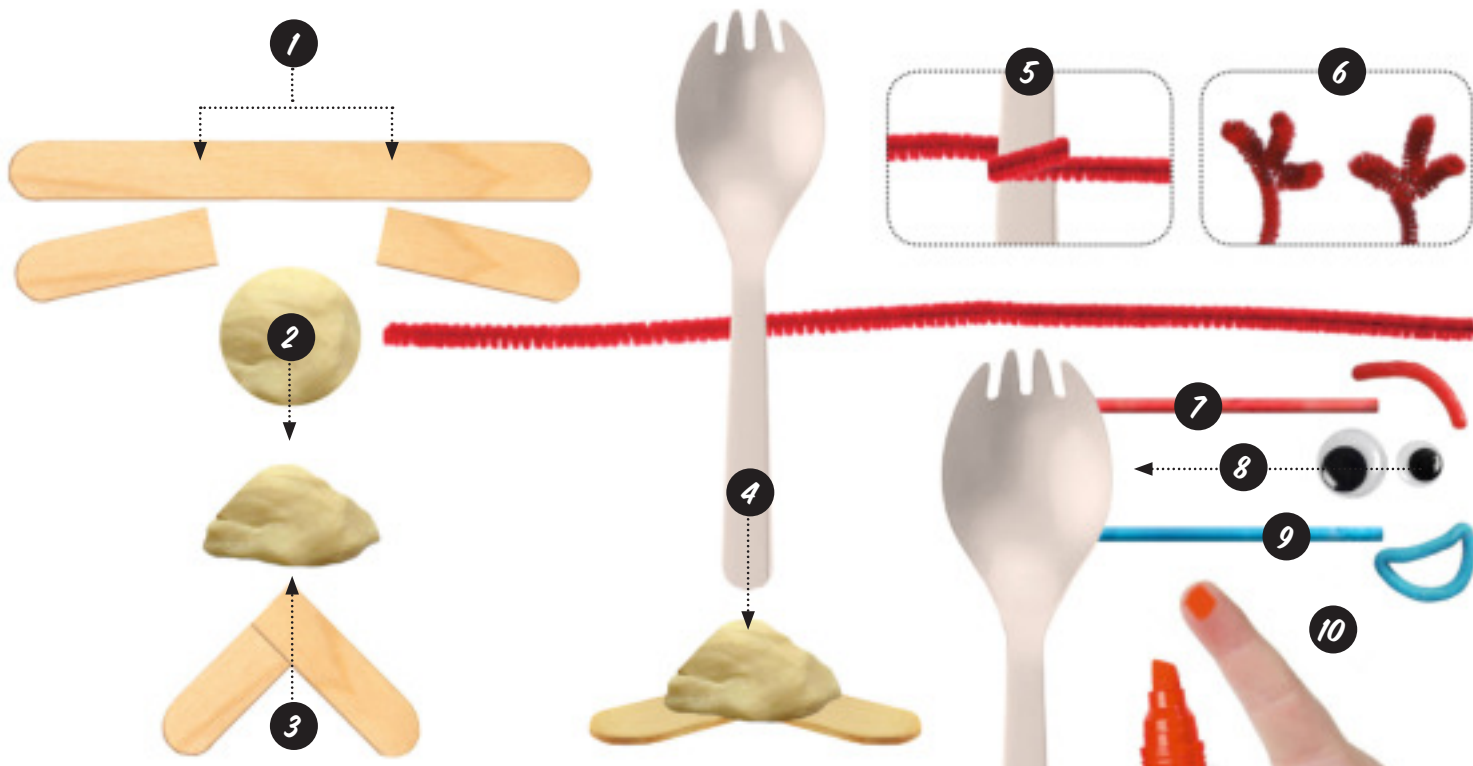

### YOU WILL NEED:

- 1 Red Pipe Cleaner
- 1 Popsicle Stick
- 1 Modeling Clay
- 1 Spork
- (try your school cafeteria)
- 2 Googly Eyes
- Glitter Glue
- 2 Sticky Wax Sticks
- 1 blue / 1 red
- 1 Red Marker
- Scissors
- 1 Rainbow Sticker (optional)

## INSTRUCTIONS

1. Cut 2 inch lengths off each end of your popsicle stick. 2. Take a chunk of clay and shape it in a quarter size mound, as shown. 3. Stick your two flat stick ends into the bottom of your clay mound. 4. Place your fork down into the top of the clay mound. 5. Twist your pipe cleaner evenly around the middle of the spork handle, as shown. 6. Shape the ends of your pipe cleaner into 3 fingered hands, like Forky's. 7. Make your red sticky wax stick into the shape of Forky's eyebrow and stick it into place. 8. Glue googly eyes to your spork, like in the picture. 9. Form your blue sticky wax stick into the shape of Forky's mouth and stick it in place below the eyes. 10. Apply some red marker onto your finger and smudge on Forky's rosy cheeks. 11. Place your rainbow sticker onto Forky's left popsicle stick foot.
